

CAREERS

Are you interested in pursuing your career at a company that really values each person?
We have an opening in **Assembly** that may be right for you.

Join one of the best work teams in the Chicago area to invest your work time. We are an award-winning workplace of energetic, talented people who fabricate and manufacture stainless steel and are seeking an Assembler.

Reasons to work for ACE Metal:

We are devoted to having a workplace that supports each of our team members in making high quality products and working together to be the best at what we do. We are a sheet metal fabrication company specializing in stainless steel, servicing the Midwest. Our customers are Original Equipment Manufacturers (OEM's) that are primarily in the food processing, food packaging, and pharmaceutical industries. We pride ourselves on our customer responsiveness which has made us successful for a number of years.

Here's the things you'll do:

- Prioritizes work by communicating with team leaders and per production reports
- Responsible for understanding customer requirements for each job
- Determines the assembly sequence, steps and process in coordination with engineering to develop optimal approach
- Assembles parts per prints
- Completes a quality inspection and/or test when required
- Maintains inventory of assembly-related consumables
- Coordinates with Purchasing on required tools and supplies to maintain the required supply
- Completes required documentation
- Coordinates with shipping to establish or confirm packaging, skidding and crating requirements
- Performs preventive maintenance on assembly-related tools and equipment
- Participates in QC/continuous improvement processes in support of increased efficiencies

What you need to know already:

- Be mechanically inclined
- Understand Bills of Materials and Blueprints
- Experience with mechanical hand and power tools
- Review 3D model for assembly sequence

- Knowledge of hardware and assembly parts
- Ability to straighten and align parts
- Ability to lift 50 lbs

Benefits offered to full-time employees:

- Competitive compensation
- Health, Dental, Vision, Life and LTD insurance
- Quarterly profit sharing
- 401(k) Plan with company match
- Paid vacation and holidays
